2. Communities specified in the list of Backward Classes and other caste people will not be eligible for help by the Harijan Welfare Department in the matter of house-sites unless they come under the category of 'landless labourers of fixed abode'. A question has been raised whether the term 'landless labourer of fixed abode' means one who does not own any land and whose main occupation is agricultural labour or whether it includes all kinds of labourers who do not own any land irrespective of their community or occupation.

3. The Government have examined the question in consultation with the Director of Harijan Welfare, and the Board of Revenue and consider that the term 'landless labourers of fixed abode' should be confined only to 'landless agricultural labourers of fixed abode' i.e. labourers who do not own any land and whose main occupation is agriculture for the purpose of extending the concessions contemplated in G.O.Ms.No.859, Development, dated 27-5-1936.
